MEMORANDUM FOR THE RECORD

SUBJECT : U.S. v IBM

REFERENCE: Cravath ltr to Esherick (Justice) dtd Sept 4, 1974

Pursuant to my request, Irvine is to submit for our review copies of documents #8, 13, 23, and 24. According to him, these documents are our Agency's and are classified. He will also provide us with a copy of document #11. He advises that this is classified SECRET, but he is not entirely sure that it is an Agency document. Irvine is withdrawing his request for our review of documents #10 and 14. He believes that document #10 may be a Commerce document, and he notes that document #14 is classified Official Use Only. I told him that this was not a security classification.
